

Training sets our service team apart...join us!

Our team includes **165 Fire Alarm Technicians** with factory training, and **236 Sprinkler Fitters** who spend years becoming certified.

Every day, thousands of customers count on us to ensure their life safety systems are installed, verified, inspected, maintained, and fully code-compliant. We've built our reputation on their satisfaction.

Troy has a number of employment opportunities for **Fire Alarm Service Technicians** throughout our 28 national branches, and leadership opportunities are also available. You'll enjoy excellent compensation, a company-leased vehicle and comprehensive benefits. We are focused on employee growth, business growth, and financial success for both.
