READY, SET, SNOW!

We can help prevent frost from damaging your sprinkler system and causing floods.

Every Fall, all dry pipe systems must be winterized.

Due to Canada’s diverse weather conditions, condensation continually forms in dry pipe systems. Eventually, this condensation settles in the “low point drains”.

It is the owner’s responsibility to check and drain collected condensation prior to any cold weather.

Troy can provide this winterizing service, and we can also train your staff on how to perform this procedure correctly.

Don’t let winter catch you unprepared...call us today!

National life safety and property protection

FIRE
- Control Panels (small, mid-sized and large system)
- Detection (Smoke detectors, Heat detectors, Fire Alarm Stations)
- Signaling (Horns, Strobes, Speakers)
- Graphic Annunciation
- Central Station Monitoring
- Linear Heat Detection
- Air Sampling detection systems
- Gas Detection

SPRINKLER
- Sprinkler design, installation & maintenance
- Standpipes
- Fire pumps
- Antifreeze loops
- Kitchen Hoods
- Foam Systems
- Special Hazards
- Backflows
- Off Road Vehicle Suppression

SECURITY
- Access control
- Video surveillance
- Intrusion
- Network solutions
- Completely integrated systems
- Monitoring

SERVICE
- Emergency service by certified manufacturer-trained technicians working with sophisticated inspection equipment and comprehensive skills
- Preventive Maintenance agreements that protect your investment and are tailored to your system
- Specialize in fire alarm inspection and repairs, sprinkler systems, backflow devices, fire pumps, central monitoring, security, fire extinguishers, nurse call, communications, emergency lighting, exit signs
- Emergency Call
- Wander Prevention
- Asset Tracking
- Access Control
- Emergency Voice Paging
- Intercom
- Commercial Sound
- Time Keeping
- Management Reporting
- Redundant Configurations
- Central Station Monitoring

MARINE FIRE & SAFETY
- Fire Protection Systems
- Alarm and Detection
- Portable and Fixed Fire Equipment
- Water Mist Systems
- Self Contained Breathing Apparatus
- Safety Equipment
- Fire Hose & Hydrants
